is dedicated to Tie'mokochimene Kpai and all moms. When I meet her I thought she was in her early 60's with her black hair. Two months later, told she is 88 years old. She started raising her family of two boys and eight girls at the age of 48.

In 2024 they will start lives around the globe from Paris to the United with lifestyles she had taught them. Like most moms, they are the first and greatest teachers of all.

Another Adoquin Roca book. Published in June 2024
